The Workshop was conducted with the intention to bridge the gap in computer knowledge and link it with academics. 23 students from M.Sc. I (Mathematics) benefited from this training.

Training was conducted by Ms. Deepali Shinde, faculty of Spectrum I-Tech, vashi, who took up the use of standard operators, creating charts and slicers, how to protect an excel worksheet, various ways of sorting and filtering large data sets, working of the lookup functions and also the various tools of data analysis in EXCEL.

Online Workshop on MS-EXCEL and its Applications, with immensely positive feedback. It served its prime objective to introduce and expose the students to those tools of MS-EXCEL that are necessary for data handling, data entry and data analysis.
