Students Satisfaction Survey
Action Taken Report 2021-2022

Sr. No.	Suggestions	Action Taken
1.	College should arrange Industrial Visit cum training.	We have implemented a core course- Industrial Internship at PG II.
2.	Need of more time for better understanding of research methodology and industry visit	As per the suggestions received from students, new Core course is introduced at first year of post graduate level. This course is composed of theory and practical with 06 credits.
3.	Use of ICT in teaching learning process.	Classes enabled with Iris Software
4.	The Institute should provide the placement for student and give more internship experience.	Instructions given to placement cell to arrange more placement drive.
5.	To improve communication skill and soft skills among the students	Institute arranged communication skill workshops and soft skills training.
