

### Skill Based /Enrichment Courses

<b>Type of Course</b>	<b>Name of the Course</b>	<b>Host Department</b>
<b>Career Oriented Course</b>	1. Retail Management	Commerce
	2. Applied Biotechnology	Biotechnology
	3. Computer Applications	Economics
	4. Tally Package	Commerce
<b>Skill Based Course</b>	1. Logistics and Supply Chain Management	Commerce
	2. Foreign Language	BMS,BAF &BBI
	3. Soft Skills	BMS,BAF &BBI
	4. Basic Techniques in Hematology	Microbiology
	5. Proficiency in English	Microbiology
	6. Designing and Making of Electronic Kits	Physics
	7. Analysis of Biomolecules	Bioanalytical Sciences
	8. Soil and Water Analysis	Chemistry
	9. Spoken English	English
	10. Share Market	Economics
	11. Good Laboratory Practices	Microbiology
	12. Export Import Documentation	Commerce
<b>Enrichment Course</b>	1. Asp.Net	Information Technology
	2. C++	Information Technology
	3. Ethical Hacking	Information Technology
	4. Database Management System	Information Technology
	5. Geographical Information System	Geography
	6. Food Adulteration and Food Safety	Biotechnology
	7. Latex	Mathematics
	8. Biostatistics	Mathematics
	9. Bioinstrumentation Techniques	Bioanalytical Sciences
	10. Standardization of Solutions and Calibration of Equipment	Chemistry
	11. Basic Programming in Python	Computer Science
	12. Web Designing	Computer Science
	13. Human Rights Education	Psychology
