

Workshops/Trainings/Sensitization Programmes Organized

Sr. No.	Title	Hosting Department	Dates	No. of Beneficiaries
1	Chromatography and Spectroscopy Techniques	Bioanalytical Science	March 22 & 23, 2016	20
2	National Workshop on Python GUI Development	Information Technology	February 26 & 27, 2016	44
3	Workshop on Molecular Biology Techniques	Biotechnology	February 8-13, 2016	26
4	National workshop on Cyber Security	Computer Science	February 10 & 11, 2016	44
5	National Workshop on Bioinformatics*	Microbiology	February 6 & 7, 2016	51
6	Workshop on Research Paper Writing	Information Technology	August 26, 2015	78
7	Enrichment program on Bioinstrumentation Technique	Bioanalytical Science	June 29 – July 29, 2015	21
8	Vitek-2 & Phase-contrast Microscopy	Microbiology	April 24 & 25, 2015	107
9	Workshop on Latex Software	Mathematics	March 9, 2015	93
10	Android Application Development	Information Technology	December 18 & 19, 2014	49
11	National Workshop on Proteomic technologies in bio-sciences**	Microbiology	August 25 & 26, 2014	147
12	Java & Dot Net, Android Application, Java Oops Concept, Web Technology	Computer Science	July 8 -23, 2014	50
13	NNSC Workshop on Networking	Computer Science	June 27, 2014	29
14	Workshop on Ethics in Scientific Research [In collaboration with IWSA]	IQAC	February 28 & March 1, 2014	73
15	National Network Security Championship	Computer Science	February 20-21, 2014	75
16	State level seminar on Funding Agencies that support Research in Colleges	IQAC	February 27, 2013	65
17	Refresher Course on Advances in Plant & Animal Biotechnology*	Microbiology	February, 3-16 2013	30
18	Certificate Course on	Microbiology	December	40

	Ethics in Science & Technology		1-9, 2011
