ACTION TAKEN REPORT

[w.r.t. meeting held on 21st September 2019]

According to the discussions in meeting held on 21st September 2019 following changes are incorporated in the syllabi.

Action 1: Renaming practical paper of Software quality assurance subject as Software quality assurance practical instead of Software testing practicals.

Action 2: Mentioned the programming language as JavaScript for practical no 8 and 9 in Software quality assurance practical.

Action 3: Eliminated repeated practicals from Software quality assurance practicals.

Action 4: Eliminated topic TCP/IP Protocol suite from IoT subject as it is already covered in Computer Networks in Semester V.

Action 5: Implemented choice-based system by providing Artificial Intelligence as an elective subject for IoT in Semester V.

Action 6: Implemented Computer Networks as a compulsory subject in Semester V.

Action 7: Reframed the syllabus for Enterprise Networking subject as suggested by BOS members.

Action 8: All BOS members approved the syllabus of skill development course "Campus to Corporate with Data Science" for T.Y. B.Sc. IT.
